MESSAGE FROM THE EXECUTIVE DIRECTOR/REGISTRAR – TRISH BERGAL

Important Update

We have been informed by government that the enactment date of our regulation will occur mid to late November 2020, which is later than what we initially anticipated. **We will be able to accept registrations once the Regulation is enacted.**

Due to the later date in the year of the first transition application (first College Registration) we have decided to merge the Transition application and the Renewal for the 21/22 practice year into one registration process. As a result when the Transition Application/Renewal is submitted, reviewed, and approved, a Certificate of Practice will be issued with an expiry date of March 31, 2022. On Initial Application a fee of \$126.75 will be required to be paid. This fee is the pro-rated fee for the remainder of the 20/21 practice year. In February of 2021, a second invoice of \$550.00 will be issued for the 21/22 practice year. Registrants will have one month to pay their renewal fee, or their certificate of practice will be cancelled.

A percentage of total Registrants who will be practicing in the 21/22 practice year will be selected to submit Criminal Record Checks with Vulnerable sector, and Adult and Child Abuse Registry Checks. Registrants will be notified if they are chosen to submit the information, in February 2021. Registrants will have 3 months to submit the required information to the College.

The Program of Continuing Competency will be announced in more detail once the Regulation is enacted. Registrants will be required to submit the initial components of this program by April 1, 2021.

We look forward to being available to help provide guidance and instruction as the inaugural registration with the College begins!
