

MCCPP and Program for Continuing Competency – Then and Now

	Current MHSAL Process (MCCPP)	CPMB Program for Continuing Competency (PCC)
Cycle	3-year cycle based on 3 year licensing cycle	Annual "cycle" beginning with the College fiscal year (April 1)
Call volume/patient contact hours	Discontinued in 2017	No requirements at this time
Annual Status form	Required annually (year 1, year 2, year 3) submitted 60 days prior to license renewal/issue date	Self-assessment documentation tool and preliminary portion of two learning goal documentation tools required to be submitted at each annual renewal of registration (first submission April 1, 2021)
Application to renew license	Submitted with Annual Status Form (Year 3)	In general, application for renewal is done annually in accordance with the College fiscal year. At that time, Fees, proof of Personal Liability Insurance, self-assessment documentation tool and preliminary portion of two learning goal documentation tools are required to complete registration and renew the Certificate of Practice
Point System (optional CC opportunities)	EMR – 40 credits PCP – 60 credits ACP – 75 credits	There are no points/credits designated for activities that contribute to self-determined learning goals. There is no difference in PCC requirements between the sub-register practice levels. (EMR, PCP, ACP, CCP)
Mandatory Modules	<ul style="list-style-type: none"> Completed through employer or PAM 4/year and designated by Branch 	<ul style="list-style-type: none"> Resources for learning are not provided/determined by the employer or PAM. 1-2 mandatory learning opportunities/units annually as determined by the College. These

	Current MHSAL Process (MCCPP)	CPMB Program for Continuing Competency (PCC)
	<ul style="list-style-type: none"> • Proof of completion submitted with Annual Status Form • List provided for each license level 	<p>opportunities/units will reflect emerging and important issues. Resources to complete the opportunities/units will be identified by the College</p>
Optional Modules	<ul style="list-style-type: none"> • Completed through employer or PAM • Pre-assigned credit value • List provided for each license level • Includes Precepting (5 credits/100 hours of documented precepting) • Includes approved Education Providers (credit value for Programs within and outside Manitoba/Canada) 	<ul style="list-style-type: none"> • Resources for learning are not provided/determined by the employer or PAM. • There are no "optional" learning goals. Learning goals are determined by each registrant as revealed with the completion of the self-assessment documentation tool. • Two (2) goals are required to be identified and completed annually.
Pre-approved ongoing Education Programs	<ul style="list-style-type: none"> • List provided with accompanying identification number and credit value • Mechanism to apply to have Education Program recognized and assigned point value 	<ul style="list-style-type: none"> • At this time, there are no "pre-approved" education sources or points assigned for individual activities. • It is incumbent on each registrant to ensure resources accessed to enhance knowledge and practice are credible. • There will be an annual audit process
Proof of completion/documentation	Annual Status Form submitted annually	<ul style="list-style-type: none"> • Each registrant must establish a Professional Portfolio for each year. • There is a documentation tool to designate,

	Current MHSAL Process (MCCPP)	CPMB Program for Continuing Competency (PCC)
		<p>document, and evaluate each learning goal.</p> <ul style="list-style-type: none"> • There is a documentation tool to facilitate self-assessment. • Registrants will need to produce a completed Portfolio within fourteen (14) days if requested. (it is imperative registrants maintain the Portfolio regularly.)
Failure to comply	Reminders of late submission and/or suspension of license until MCCPP completed and submitted satisfactorily	<p>General Regulations 6.6 If a member fails to complete the continuing competency requirements or if practice issues are identified through a practice audit, the registrar may do one or more of the following:</p> <p>(a) impose any conditions that the registrar considers necessary or advisable on the member's certificate of practice.</p> <p>(b) require the member to successfully complete any examinations, tests, assessments, training or education that the registrar considers necessary to establish that the member is competent to engage in the practice of paramedicine.</p> <p>(c) direct the member to take any action the registrar considers necessary to address any issues identified in the audit.</p>
Quality Assurance		<ul style="list-style-type: none"> • Registrant feedback – included with tools on the College website portal. • Review by PCC Committee (annual audit process which includes literature/activity review)

	Current MHSAL Process (MCCPP)	CPMB Program for Continuing Competency (PCC)
		<ul style="list-style-type: none">• Expression of interest for the PCC Committee will begin later in 2021
