The College will no longer be offering EMR entry to practice exams. **EMR entry to practice Exams are now provided by the Canadian Organization of Paramedic Regulators (COPR)**
Please go to www.copr.ca for registration.

Candidates have (3) attempts to successfully complete (pass) the EMR Examination. **If a candidate has already written an EMR exam with MHSAL or CPMB, these attempts count toward the maximum number of attempts allowed.**

First attempt to write the COPR EMR Exam must take place **within six (6) months** of completing an approved (by CPMB) EMR Program.

Candidates must complete the entrance to practice exam process (successful completion of the exam or unsuccessful at 3 attempts) **within eighteen (18) months** of completing an EMR Program.

As part of the exam application process, candidates are required to upload an EMR certificate (proof of successful completion of the didactic portion of the program),
