Approval Signature: <i>Original Signed by J. Wade</i>	Section: Administrative - Registration	
Original Approval Date: September 23, 2020	Last Revision Date: August 29, 2023	Next Review Date: September 2026

### 1.0 PURPOSE

An applicant must prove the ability to listen, speak, read, and write English in order to practice paramedicine in the Province of Manitoba.

### 2.0 DEFINITIONS

First Language – the language learned and spoken in the home.

### 3.0 POLICY

3.1 An applicant will be deemed to be proficient in the English language if:

3.1.1 They attest that English is their first language, or

3.1.2 They have successfully completed a course of paramedical study delivered and evaluated in English. Online and distance paramedic education programs are not accepted.

3.1.3 They have successfully completed an English entry-to-practice examination at the level they are applying for registration at within the previous 12 months.

3.2 If an applicant's first language is another language, English proficiency testing is not required if:

3.2.1 The official language where the applicant lives and works is English, or

3.2.2 The applicant can show evidence that s/he has safely practiced paramedicine within the last two years and the official language in that practice was English.

3.3 If neither of the determinants in 1 or 2 are applicable, the applicant must access an approved English Language Proficiency Assessment and pass it with the minimum test scores indicated in the table below.

3.4 The English Language Proficiency Assessment must be no older than 2 years at the time of application for licensure.
