1.0 **PURPOSE**

The College of Paramedics of Manitoba carries out its mandate, duties, powers and governs its registrants in a manner that serves and protects the public interest. In alignment with this, Council sets policy direction to lead the Executive Director/ Registrar and staff and monitors progress and achievement in compliance with Executive Expectation Policies.

To facilitate this, Council recognizes their obligation to establish a supportive environment and to provide tangible support to the Executive Director/Registrar in their important role.

In addition to the above, Council also recognizes an obligation to support the continuing education and development of the Executive Director/Registrar. This policy exists to elucidate this aspect of the Council – Executive Director/Registrar collaboration and to ensure transparency of this commitment.

2.0 **DEFINITIONS**

Council – For the purposes of this policy, Council shall mean the entire Council of the College of Paramedics of Manitoba

3.0 **POLICY**

Council will ensure there is a mechanism in place to provide input, dialogue, support, and development for the Executive Director/Registrar by:

- a) Evaluating the Executive Director/Registrar’s performance through established policy, providing feedback on the results and contributing to a development strategy.
- b) Collaborate with the Executive Director/Registrar to highlight competing College priorities and provide input as needed to redefine priorities.
- c) Being available for consultation and support through informal discussion with the Chair, Chair Elect, or one or more members of the full Council as requested by the Executive Director/Registrar.
- d) Enabling the Executive Director/Registrar to place critical items on the Council meeting agendas in keeping with Council Meeting Policy.
- e) Providing reasonable resources for the ongoing professional development of the Executive Director/Registrar in relevant areas.
